

Autograph party due for Katy Warner book

The first copies of a new edition of "A History of Bainbridge Island" will be offered for sale next week at a special autograph party at the Bainbridge Public Library.

Author Katy Warner will give an informal talk entitled "untold Tales of Bainbridge Island" at the evening affair Thursday.

Mrs. Warner has made a gift of all profits from the sale to Friends of the Library, who are sponsoring the tenth-anniversary printing of the history book. Friends president, Carol Gill, said the money will be used in the library's upcoming expansion program.

In charge of the autograph party, set for 7:30 to 9 p.m., are: Mary Ellen Pangle, general chairman; Mrs. Ida Thatcher, storage and distribution; Mrs. Elaine

McCool, celebration party arrangements; Dr. Ada Hatcher, publication, printing and public relations; Mrs. Gertrude Groves, display of early Island memorabilia.

The book will be on sale at the library, the Eagle Harbor Book Store and Bainbridge Arts and Crafts following the autograph party. 4/12/78
